Copy of letter Rc.No.21432-A4/52, dated 22-1-53 from the President, District Board, South Kanara to the Secretary to Government Health Department, Madras through the Director of Medical Services, Madras 6.

--

Some inferior servants of the Government Hospital, Karkal who were formerly subordinates of the District Board and since absorbed by the Government have submitted applications claiming gratuity for the services put in by them under the District Board. I would, therefore, request that the Government may be pleased to let me know whether they are eligible for gratuity under rule 7(2) (a) and (b) of the rules issued in G.O.No.4024 L.A. dated 28th October, 1937 governing the payment of gratuity.

p.t.o.

**Copy of letter, L.F.No.1590 d/20-5-53 from the Examiner Local Fund Accounts.

It is presumed that the inferior servants referred to are now in active service under Government. A copy of the orders of Government containing the conditions of transfer of service of the individuals is not available for reference. If the individuals will not be eligible for gratuity or pension from Government in respect of their service under the district board according to the conditions of transfer of service they will be entitled to gratuity from the district board for such service. The gratuity is ordinarily payable at the time of retirement. But the district board servants transferred to Government Highways department were treated as discharged from district board service on account of reduction of staff consequent on the formation of the Highways department and the amount of gratuity admissible under the rules to the servants of district boards was required to be paid direct to them.
